The German army has moved north of Liege and is advaneing into the heart of Belgium. It is difficult to determine its objective. There is a screen of cavalry in extraordinary force along the whole front of the allied armies.

A new army corps is investing Liege. The French cavalry is engaged in sharp fighting. Both the German and allied armies are feeling their, way.

Andreas Hofer—The Inn-keeper Patriot of the Tyrol

O THIS peasant-leader Liberty was as much the breath of life as it is to the strong-winged eagles of the Alps. To achieve it for himself and his mountain brothers he gladly laid down his life. No less a personality than Napoleon vanquished him, and it was because he feared him that the Great Emperor ordered Hofer shot Every atom of Andreas Hofer loved Liberty He demanded it for himself and willing. ly gave it to others In this respect he is no different than are our thousands of Tyrolese citizens. Personal and National Liberty to those of Tyrolean blood is a religion To a man they will fight for it and to a man they will die for it. When asked to vote for Prohibition they do as would do the great patriot Hofer—VOTE AGAINST IT. "Thou shalt NOT eat this—thou shalt NOT drink that" is insolent legislation to those of Tyrolean blood. Anheuser-Busch are proud to serve their thousands of Tyrolese patrons. For 57 years these people have been moderate users of their honestly brewed beers BUDWEISER is a favorite wherever they reside.
